## Donaldson Featured Parts

# Hard Parts and Accessories

Donaldson	Product Type	Product Details	Product Features
C105017	ECC DuraLite™ Air Cleaner	10.50"	<ul style="list-style-type: none"> <li>• Disposable, rugged air cleaner for small or high pulsation gas and diesel engines</li> <li>• Can be mounted vertically or horizontally</li> </ul>
G112404	ECG Konepac™ Air Cleaner	11"	<ul style="list-style-type: none"> <li>• High airflow in compact size for horizontal installation with side inlet</li> <li>• Latched service access</li> </ul>
G150048	EPG Air Cleaner	15" Radial Seal	<ul style="list-style-type: none"> <li>• Improved reliability, superior engine protection, easiest serviceability</li> <li>• Can be mounted vertically or horizontally</li> </ul>
H001251	Full-View Pre-Cleaner	2.5" O.D.	<ul style="list-style-type: none"> <li>• Extends primary air filter life in heavy dust environments</li> <li>• Full-view plastic bowl lets operator easily see when service is needed</li> </ul>
H002436	TopSpin™ Pre-Cleaner	2.53" I.D.	<ul style="list-style-type: none"> <li>• Extends primary air filter life in heavy dust environments</li> <li>• Self-cleaning / self scavenging</li> </ul>
P007191	Air Cleaner Mounting Band	6.5" I.D.	<ul style="list-style-type: none"> <li>• Durable, corrosion resistant, steel construction</li> <li>• Fully engineered and tested to resist the adverse effects of vibration</li> </ul>
P107844	90° Rubber Elbow	5" I.D.	<ul style="list-style-type: none"> <li>• Absorbs vibration and resists tears, puncture and vacuum collapse</li> <li>• Reduce intake noise levels under sever conditions</li> </ul>
P525956	Vacuator™ Valve	1" EPG Radial Seal	<ul style="list-style-type: none"> <li>• Automatically expels dust and water with normal engine pulsing</li> <li>• Unloads when the engine is stopped</li> </ul>
X002277 X002278	The Informer™ Filter Service Indicator	25" H <sub>2</sub> O/5 kPa 20" H <sub>2</sub> O/5 kPa	<ul style="list-style-type: none"> <li>• Graduated, continuous readings whether engine is running or shut down</li> </ul>
P564669	T.R.A.P. Hydraulic Reservoir Breather	1" NPT Bulk fluid storage tanks	<ul style="list-style-type: none"> <li>• Extends life by exhaling moisture and refreshing its holding capacity on each cycle</li> <li>• Thermally reactive barrier that removes moisture at relative humidity levels as low as 15%</li> </ul>
